MODERN OATS

SUPER FOOD. SUPER FAST.

What's so modern about Modern Oats?

We start by selecting only the most nutrient & protein rich, **non-genetically modified**, gluten-free certified, whole rolled oats. The highest grade from smaller, family run operations throughout the upper Midwest of North America.

After the groats are steamed and sized, we then blend with the finest, juiciest, **antioxidant rich superfruits**, omega 3 rich nuts and seeds, and lightly sweetened with only **organic** evaporated cane juice to craft the most delicious, healthy, modern blends of oatmeal found today.
